Friday, May 10<sup>th</sup> – Final Quebec Trip payment due (open now on School Cash OnLine)

Friday, May 10<sup>th</sup> – Operation White Heart Presentation to all grades

Friday, May 10<sup>th</sup> – University of Moncton Math Competition (some students will be attending)

### Fish News

Adult salmon enter many rivers in the Atlantic region during the months between May and October. The salmon that survive the journey up the river arrive at a suitable place to lay their eggs.

Tune in tomorrow to find out what a suitable place looks like.

### Cheer

Congratulations to our middle school Cheer Team for placing first at our Provincials this year.

Your girls hit zero on the opening performance and then did well enough to secure the title and banner for LMS.

Through injuries, change in routines, and adversity, our athletes performed as champions.

Congratulations, girls!

### Dungeons & Dragons

Good morning, adventurers.

For this week only, there will be a session this Thursday, May 9<sup>th</sup>. Mr. Spirritts is unavailable Wednesday, however, is trying to accommodate for the session.

He apologizes for any inconvenience.

Let's roll for initiative, LMS!

**Pizza Day is cancelled for the remainder of the year.**
