

Announcements—May 7th, 2024

Leadership

There will be a leadership meeting on Thursday last period. Please be sure to get permission from your teacher to miss their class. Stay tuned to where the meeting will be held.

Fish News

These spawning “redds”, as they are called, must be in fresh water and are located far from the extreme head waters of the river. The spawning area must contain a gravel bottom with many small and medium-sized stones. This is where the species reproduce.

Tune in tomorrow to find out when....

Pizza Day

Pizza day is cancelled for the remainder of the year.

3D Printing Club

A reminder that there is no 3D printing club this week. The next session will be next Tuesday, May 14th.

Student Voice

Student Voice will be on Wednesday during 6th period.
